

ABOUT THE CONFERENCE

The present world order is witnessing large number of changes. Many of these changes are contradictory in nature. Large part of the world population is living below poverty line. Economic development is essential for well being of this population. At the same time, issues related to sustainability are also important matter for the future of mankind. Growth and stability are always needed.

It is important to maintain a balance between these two aspects. The conference is designed to bring together a galaxy of academicians and practitioners on one platform to turn the spotlight on current and future advance in business management, administration and economics. Some of the key features of the conference are Keynote speeches by thought-leaders from across the globe, special issues and partnerships with reputed journals, best paper awards and pre-conference workshops.

ABOUT THE INSTITUTE

Indian Institute of Technology - Roorkee is among the foremost of institutes of national importance in higher technological, science and management education and research. Since its establishment, the Institute has played a vital role in providing the technical manpower and know-how to the country and in pursuit of research. The Institute ranks amongst the best technological institutions in the world and has contributed to all sectors of technological development. The Institute has completed 150th year of its existence in October 1996. On September 21, 2001, an Ordinance issued by the Government of India declared it as the nation's seventh Indian Institute of Technology. The institute is declared by an Act of the Indian Parliament as an "Institution of National Importance".

ABOUT THE DEPARTMENT

Department of Management Studies was established by the Institute in 1998 to reflect the needs of dynamic business and economic scenario and to enable its students to face the challenges of corporate world. It takes the onus to prepare a breed of managers who have the courage, skills and resilience to excel in the corporate world through 2 year full-time residential MBA programme. In its quest to promote excellence in management, the department also offers autonomous doctoral programme. The Ph.D. programme prepares young men and women for challenging opportunities in teaching, research, and consulting.

The faculty members of the department equipped with deep and diversified knowledge are actively involved in research, consultancy, FDPs and industry training. The department has won many national and international awards and honours to shine with full glory in international landscape.
